GLOBAL MINISTRIES  
新希望全球事工

March 21, 2020

Dear Brothers and Sisters in the Lord,

Peace be with you! As the COVID-19 epidemic spreads, may the Lord be with every brother and sister. We thank God for his supply of medical masks for those in need during the most critical time in China. With the easing of the Chinese epidemic and the gradual spread of the US epidemic, we have recently donated surplus masks to some churches and hospitals in America. Our masks are almost exhausted now as many hospitals reached out to us after experiencing an extreme shortage of medical supplies. Some churches and brothers/sisters also asked if they can donate to help purchase those materials. To this end, we are launching an online donation campaign on the Living Hope Global Ministries website. Donations received on this website will be used to collaborate our resources, purchase urgently needed medical supplies, and donate to hospitals in need.

If you have an interest in this, please go to our website (<https://livinghopeglobalministries.org>) to donate. We will purchase accordingly and allocate it to the hospitals in greatest need. After you donate, you may also contact us and we will gladly send materials to the hospital or first responder stations of your choosing.

Our website will set up a special "COVID-19 Virus Fund" page (Click "Donate" button in the picture at the top of the homepage). The full amount of funds raised will be used to purchase medical supplies. If you will, you can make an additional donation to help us bear the operating expenses of our organization (click "Donate" on the top-right of our homepage and select "Other" in "Program" to donate). You can also make a check payable to Living Hope Global Ministries (memo: "COVID-19 Virus Fund" or "General Fund" according to your preference), and mail it to: P.O. Box 487, Montgomeryville, PA 18936-0487.

Thank you very much for your dedication and love. May the Lord remember you and sustain every brother and sister in his peace and health. May God our Father add to our physical, mental, and spiritual strength as we serve this generation together!

Emmanuel,

Living Hope Global Ministries
